## ABOUT US

Dynamic professionals rendering  
smart touches for highest aesthetics...

Concrete Infra is a professional firm run by dynamic professionals with ample experience in construction, particularly in maintaining high quality standards. It is indeed a pleasure to the eyes to see the highest aesthetics and smart touches prevailing in every aspect of our Construction. These are the advantages that make Concrete Infra the reputed builders in Hyderabad.

In just 2 decades, the firm has delivered more than **50 projects**, and has to its credit over **2.6 MILLION SFT** of constructed area, over thousands of satisfied residents and over **1.5 MILLION SFT** under various stages of construction. Further **2.2 MILLION SFT** is in pipeline.

## OUR PHILOSOPHY

...to contribute to the urban growth  
by building healthy dwelling units.

Concrete Infra is aware of the world scenario of increasing urban population and the need to create sustainable healthy living spaces to accommodate the surge. It is poised to take up the challenges of contributing towards developing such buildings that will assimilate this growth while maintaining the balance in ecosystem.

Our philosophy is to contribute to the urban growth by building healthy dwelling places and efficient use of natural resources.

### VISION

Concrete Infra nurtures a vision to create wonderful buildings for people to live in and appreciate.

### MISSION

To carry the concrete stamp of class that reflects our commitments towards our work.

To provide the highest quality standards in each and every project and push our limits towards excellence.

To strive to be a leader in construction business and comply with all the requirements of quality, timely delivery and safety.

To establish for Concrete Infra a global identity in infrastructure development and construction.

## CORE VALUES

Our core values are our fundamental beliefs as an organization. These are our guiding principles that dictate our behavior and help us determine the right path to fulfilling goals by becoming an unwavering guide.

### Integrity

Integrity is no simple matter. Yet we commit ourselves to integrity in all our approach and ensure that our clients get more values while working with us.

### Accountability

We hold ourselves accountable to Nature, Government and People at large for our every actions that might affect them and take measures to mitigate any adversarial outcome.

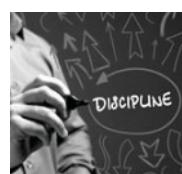

### Diligence

Diligence, although cannot be measured can surely be correlated with the results we provide. Indeed it shows in every work we undertake and helps us maintain our reputation in our field.

### Perseverance

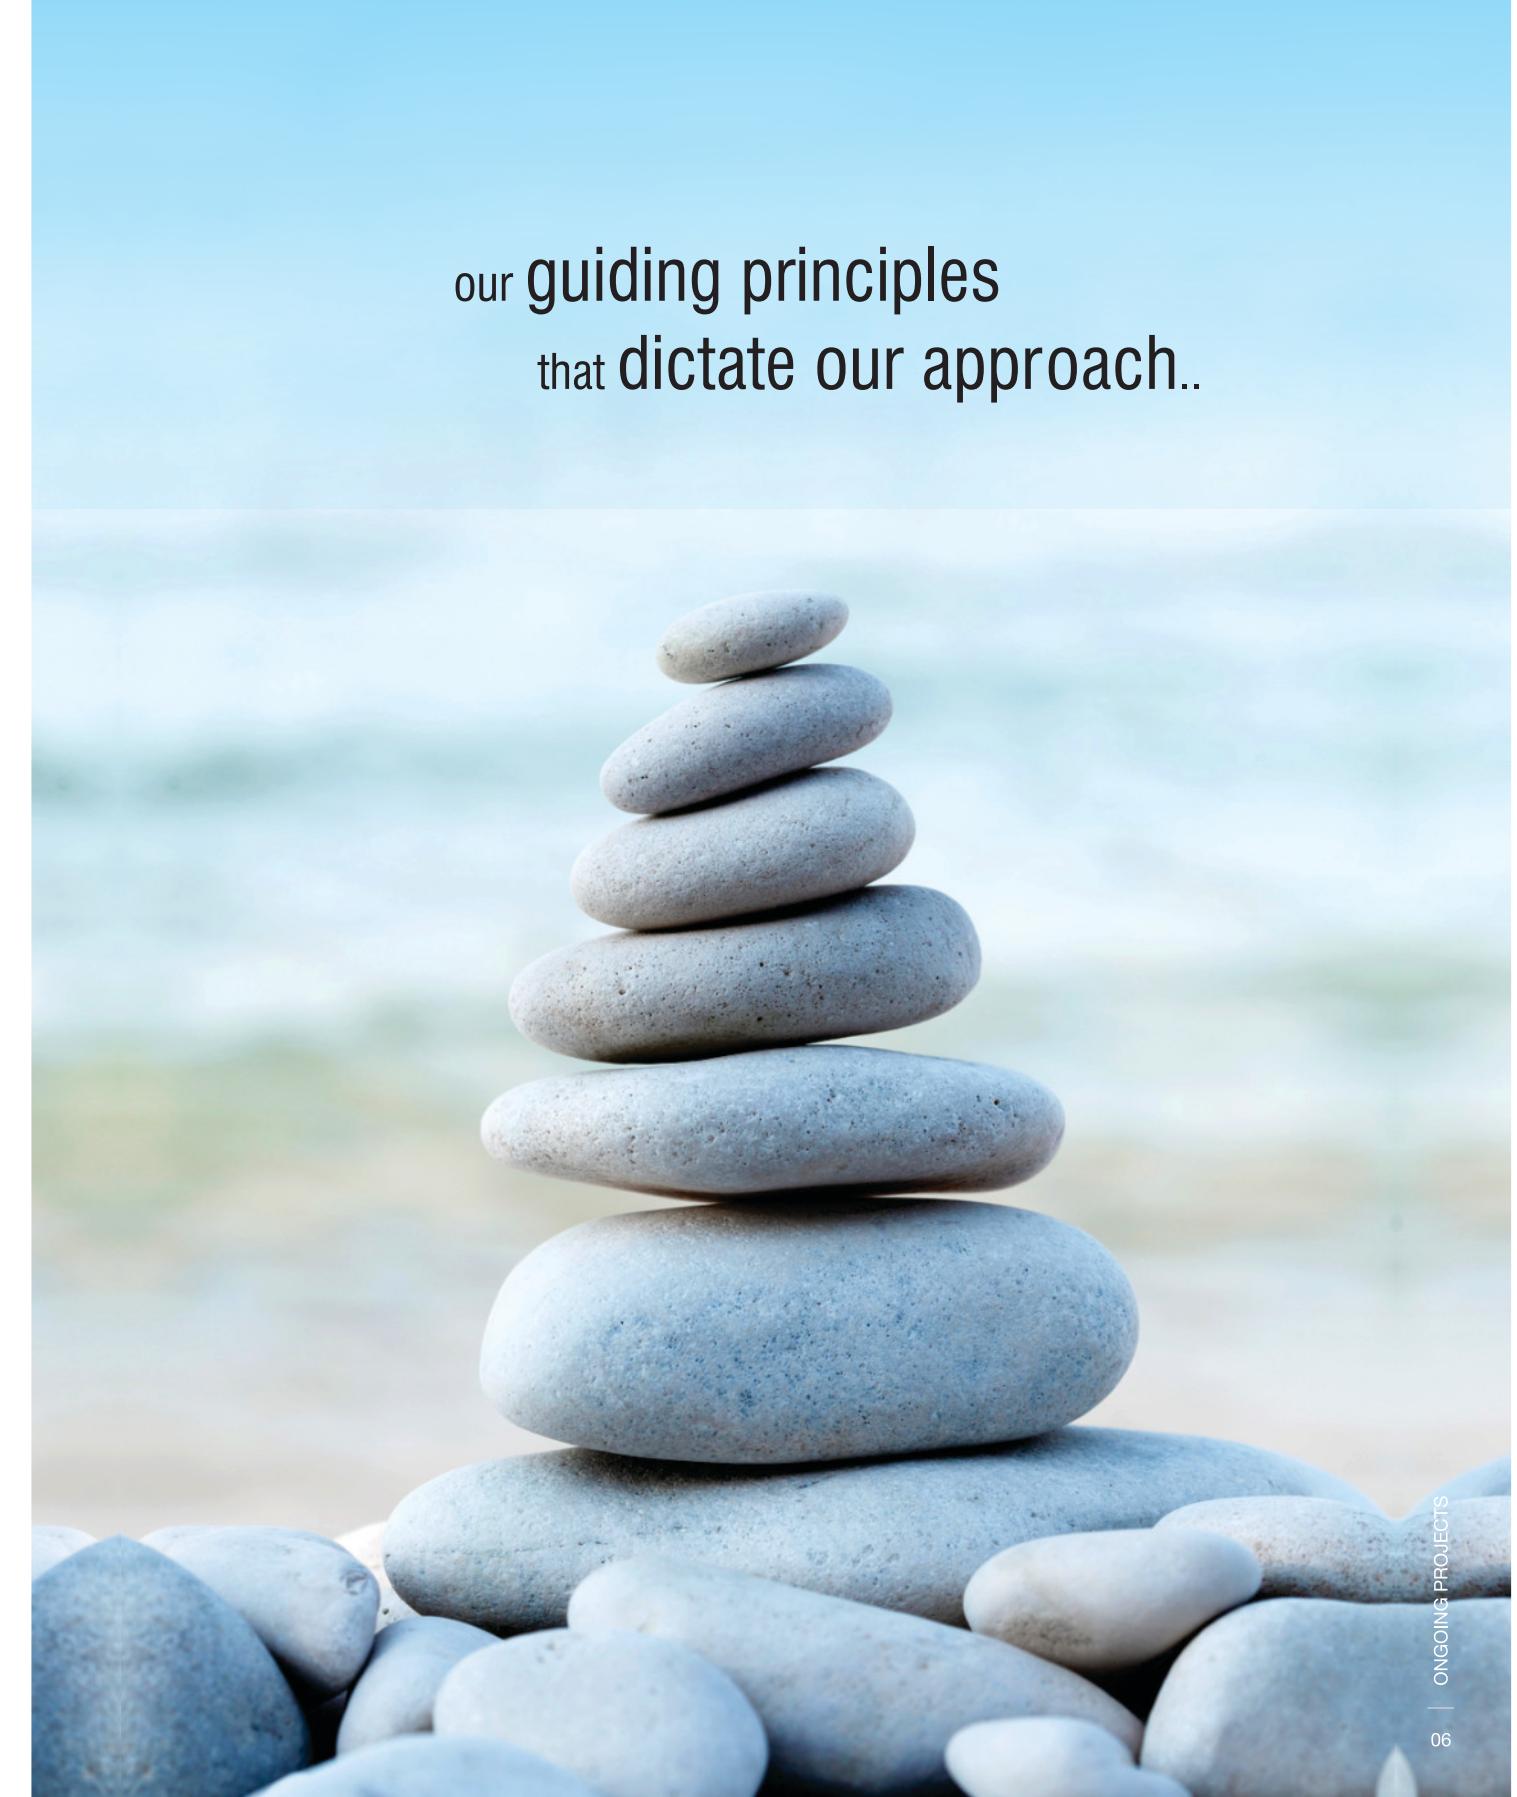

Not every project we undertake is a piece of cake. We like to take up challenging projects and it is only through perseverance that we are able to deliver them as if it were one of those that we do quite often!

### Discipline

Discipline within the organization is what we have promised ourselves to keep. It certainly has made us a highly organized group which reflects in our timely delivery of even a complex project.

our guiding principles  
that dictate our approach..

## OUR DIRECTORS

With **visionaries** at the helm,  
it takes more than capacity  
to translate that **vision** into **reality**

## TESTIMONIALS

I want to thank C&L for the excellent performance in completing the construction as planned. The people have done a great job in giving us what we need, keeping the job on schedule, and keeping it under budget – the most important aspects of any project.

**G. Narasimha, Software Engineer**

Your organization has performed professionally. Your commitment to quality and the extraordinary efforts in ensuring the ultimate success of this project was wonderful. I wouldn't hesitate to recommend C&L for anything. I look forward to working with your organization again soon.

**Kireeti, Founder**

We would like to commend you for a job well done on our new facility. The knowledge and experience of the staff of your construction company made this project go so easily.

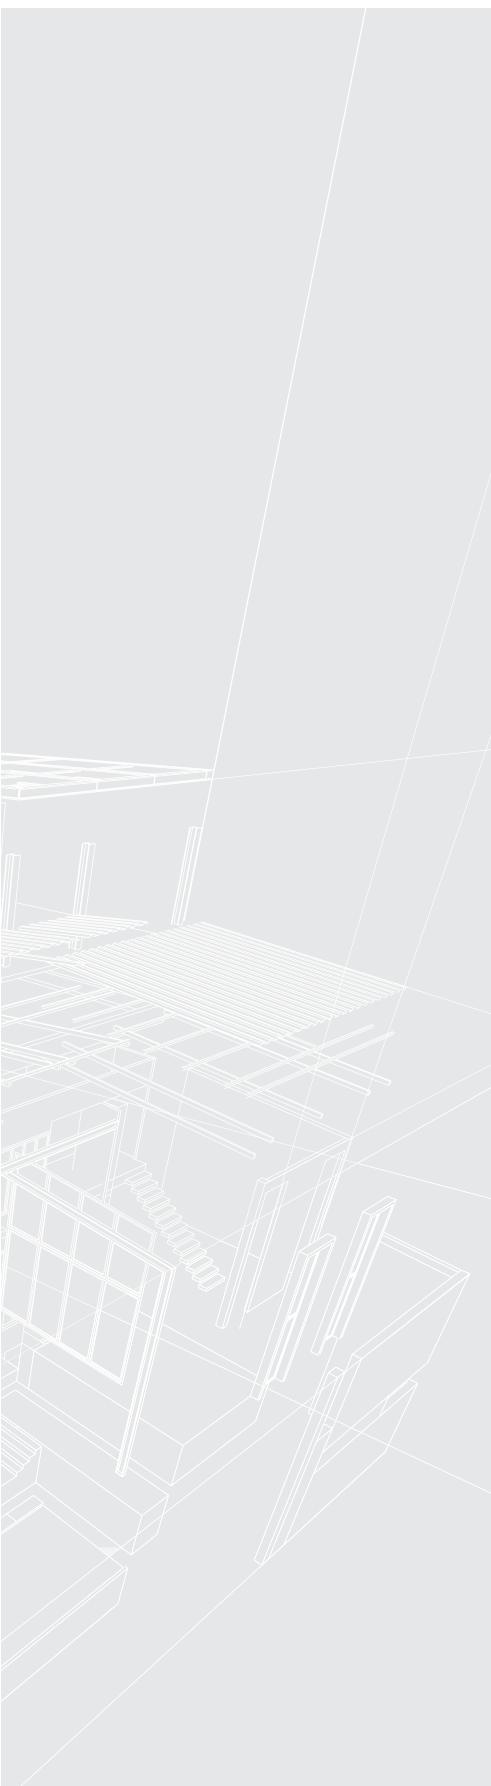

**Abhiram, General Manager**

It is very refreshing and enjoyable working with the C&L staff, who are consistently courteous and friendly; respond quickly, solve problems, and are both accountable and knowledgeable. rarely are these characteristics found in a group of people under one roof.

**Srinivas.Y, CE**

We appreciate the quality workmanship and the fine attitude of the people at Concrete & Limelight. We are very pleased with the overall management and capabilities of the company.

**Ram Chandran, Film Director**
